

A partnership

worth building on

## **BIRD CONSTRUCTION**

is one of Canada's leading General Contractors with offices in **Edmonton, Calgary, Vancouver, Winnipeg, Toronto, Halifax, Saint John, and Seattle**. Rooted in a tradition of progressive enterprise, we service the ICI sector.

# **Senior Estimators**

- **Edmonton, Calgary & Winnipeg**

Your 10 years' progressive experience in the general contracting industry will support your collaborative approach to delivering results. You are able to build and steward trust with a broad network of professional colleagues, subcontractors, and team members to effect competitive excellence and pride in teamwork with outstanding project delivery. Select candidates will be invited to tour our sites and meet with peers prior to joining our team. We also offer excellent career pathing opportunities for junior/intermediate Estimators.

**As a strong, dynamic, and growing group, we offer a unique profit sharing and compensation package along with relocation support and the opportunity to work on a great variety of projects. To explore our commitment to employee partnership and to view a complete list of opportunities, please visit us at [www.bird.ca](http://www.bird.ca).**
