

Are you looking for the next step in your Career?

The Maple Reinders Group was established in 1967 as a full-service Design/build and Construction Management firm specializing in industrial/commercial/institutional facilities, municipal infrastructure and environmental projects. With 6 locations across Canada we strive for technical distinction, for professionalism, for quality workmanship - and ultimately, for integrity in building excellence.

Maple Reinders has recently won two large prestigious projects. We are looking for extraordinary **Project Managers** to join our award winning team and contribute to continued growth.
