Rankings are based on self-reported, 2008 gross revenues from Canadian operations, as verified by company officials. Totals include revenues from all branch operations and subsidiary companies as supplied to Reed Construction Data, Canada. Information was gathered through a comprehensive survey sent to more than 300 construction firms across Canada. Participation in the process was voluntary. Firms refusing to provide revenue information were not eligible for ranking. To be considered for 2010 rankings, please email leaders@reedbusiness.com or call 1-800-465-6475.
