Leaders in Construction — Western Canada is based on the most active general contractors, October 2008 to October 2009, as defined by information contained in Reed Construction Data, Canada's database. Supplementary information was gathered through a comprehensive survey sent to more than 300 construction firms across Canada. Participation in the survey process was voluntary. Firms refusing to provide information were not eligible for a listing in The Leaders 2009 edition. To be included in the 2010 edition of Leaders, please email leaders@reedbusiness.com or call 1-800-465-6475.
